PRAYER TO OVERCOME INDIFFERENCE

All too often, Lord, we turn away from the
world's many problems, which seem too
big, too complex, or too far away. Forgive
us our indifference. It is easier, Lord, to
see only what is around us: our lives, our
homes, our challenges. Forgive us our
isolation. Help us to see with your eyes:
eyes which notice one another and help
us understand. Help us to dream your
dream: of communities that reach out and
dialogue, and where diverse people
creatively cooperate. Help us to be
people of solidarity and action, so moved
by prayer, encounter, and understanding,
that peace can become a reality. We ask
this through Christ our Lord. Amen.
