VOCATION REFLECTION

"Forgive us our trespasses as we
forgive those who trespass against
us." Make a stand for mercy,
empathy, forgiveness, and
selflessness!

Prayer for our Creation

God our Creator,
in the midst of our ecological crisis,
we pray that people may learn to
respect your creation and care for it as
a precious gift.
In view of the threatening climate crisis,
may we be mindful of the poor, who are
the most vulnerable to the impacts of
climate change, that they may be taken
into account by those societies
contributing the most to climate change.
Believing in your saving power and
that you can make straight our crooked
paths, we pray for action to protect and
care for all creation and set our
economies on new more lifegiving
paths.
We make our prayer through Christ, our
Lord.
Amen
