FINANCIAL SUMMARY – Q2, 2026

The Parish remains in a strong
financial position for the first 6 months
of 2026. Total income amounted to
R3.27 million, with expenditure at
R2.69 million, resulting in a **year-to-
date surplus of R579,861.**

This positive outcome reflects our
parishioners' continued generosity
through dedicated giving and
collections. While the current surplus is
encouraging, part of it is attributable to
capital projects still to be completed,
including the final payment of the Solar
Installation Project.

**The financials have been posted on
the notice board at the back of the
Church, and a financial snapshot
will be printed in next week's
bulletin.**

VOCATION REFLECTION

We cannot act overly proud just
because we have responded to
God's call. Responding is our duty
and source of happiness; serving God
with perseverance and happiness
fulfills us.

Prayer for our Creation

God our Creator,
in the midst of our ecological crisis,
we pray that people may learn to
respect your creation and care for it as
a precious gift.
In view of the threatening climate crisis,
may we be mindful of the poor, who are
the most vulnerable to the impacts of
climate change, that they may be taken
into account by those societies
contributing the most to climate change.
Believing in your saving power and
that you can make straight our crooked
paths, we pray for action to protect and
care for all creation and set our
economies on new more lifegiving
paths.
We make our prayer through Christ, our
Lord. Amen.
